

Formulated For Tough Cleaning Tasks™

- Biodegradable
- Non-toxic
- Non-corrosive
- CFC free

Bio T FOAMAXX is an industrial strength foaming aerosol that powers away:

- grease & oil
- ink
- tar
- tape
- tree sap
- markers
- animal fats
- dirt & soil
- crayon
- cosmoline and wax
- adhesives
- other tough substances

Safe to use on:

- aluminum
- tile
- chrome
- wood
- stainless steel
- other aerospace, automotive and industrial parts and surfaces

FOAMAXX produces a thick, stable foam that clings to vertical surfaces long enough for the degreasing action to occur. It's ideal for cleaning:

- tools & equipment
- machinery
- drill bits
- metal parts
- ovens & grills
- vent hoods
- trash receptacles
- engines
- buses
- railcars
- subways

Call BioChem Systems' Technical Staff for a quick and accurate response to all of your compatibility questions.

FOAMAXX

Easy to use.

Simply spray Bio T FOAMAXX directly on the surface, whether it's a large area or a tight spot. It clings where it is sprayed and quickly dissolves tough contaminants, even on vertical surfaces.

Eliminates concerns about safety and environmental regulations.

Bio T FOAMAXX is biodegradable, non-toxic, non-corrosive and free of chlorinated solvents. It is the environmentally friendly alternative to hazardous solvents. It's safe for workers and the environment.

The major component in Bio T FOAMAXX is approved by the FDA as a food additive and is included in the "Generally Regarded as Safe" or GRAS list under the Food, Drug and Cosmetic Act of 1958. FOAMAXX complies with major regulatory guidelines and alleviates the confusion and concern associated with compliance.

Available in:

- 17-ounce aerosol cans (12 per case)
